Physical Address: 22 North Euclid Avenue, Suite 215
St. Louis, Missouri 63108

The Human Research Protection Office (HRPO) is located a short walk off the medical school campus. If you head down Euclid Avenue towards the Central West End, our building is just past Einstein’s bagels (across from Jimmy John’s).

When you enter the building, HRPO is on the 2nd floor in suite 215.

For security purposes, all visitors are required to enter through the main door and present their WU identification (e.g., employee badge). If you do not have identification with you, you can use the telephone by the door to communicate with a member of the HRPO staff who will confirm your visit.

Once you are admitted into the HRPO office, a member of the staff will show you to the location where the training session will be held.
