**Group 1** – (Optional) Non-engaged community partners that the WU Researcher feels would benefit from some basic information or background in research or in situations when the community partner is interested in learning more about research. Material covered: Belmont Report, History and Ethics of Human Subjects Research.

**Group 5** - Training must take place on-line.

**Talk to Washington University Researcher about training options.**

**WU Researcher obtains approval from HRPO for Group & mode of training.**

**WU Researcher notifies HRPO when training is complete for all engaged community partners.**
